

BAY Environmental Education Network (BEEN) Meeting

Supporting teachers with environmental and sustainability education

An environmental education meeting for teachers (one per term) will commence soon in the St George area. Teachers from all schools are invited to attend.

Guest speakers, practical learning activities, networking, sharing and support for your school gardens, environmental initiatives and teaching programs.

The first meeting will be held on 2 July at St George Girls HS. Come and meet other like minded educators. Be inspired to work with the students in your school. Come along with topics you are interested in or would like to learn more about

Register now on MyPL NR09055
