

# Outdoor Education and School Gardens Workshop

## Connecting Curriculum to the School Garden

This course allows teachers to attend an inspiring and practical day full of workshops with hands on learning and networking opportunities. During the day teachers will investigate the links between outdoor learning opportunities and school gardens.

Programming advice from a Curriculum Advisor will be provided allowing teachers to integrate the outdoor lessons to multiple KLAs. Illawarra Shoalhaven Health Promotion Service will present practical ideas on encouraging healthy eating and activity.

Feedback from previous teachers- *'This has been the best PL I have ever attended'*.
